**And What Have You**

By BOB CRAIG

Along with everyone else in town, we extend a special welcome to all the former students of Hamlin Schools back home this weekend. We hope that you have an enjoyable weekend visiting with your old classmates and renewing acquaintances.

As in years past, there has been a great deal of effort on the part of many local exes and townspeople to see to it that yours is an enjoyable get-together. And we would like to pay tribute to all of these people that work so hard year after year trying to make each year just a little better than the year before.

Every year at this time we find ourselves becoming just a little envious of the folks both from here and those that come back home that renew old friendships that date back from early childhood and extend through high school. Since we went to nine different schools before we got out of high school we have never been too thrilled over the prospects of going to a homecoming. In the first place, we have not really figured out which school's homecoming we should attend.

Because of this we find our attitude toward homecoming as not always being what it should be and we sometimes question all of the fuss and bother being made. But when it gets here and we see all of the people so thoroughly enjoying each other's company we understand it a little better.

After watching the Pipers maul the Yellowhammers last Friday night we believe that the exes will be in for a much better treat Saturday night than they have experienced the past couple of years or so.

While Nolan is probably a much stronger team than the Pipers have faced in their homecoming game for sometime — the Pipers themselves are a much stronger team. Not only are they stronger than they have been in the past, they also seem to radiate a desire to play and to win that seems to have been missing before.

From our spot on the sidelines last week we came to the conclusion that while the boys are a little thin in numbers they seem to be well coached and have the desire to play hard-nosed football. They also have the speed and talent to bring the fans to their feet at almost any time during the game.

We wish them every success in the game this Saturday and the ones to follow.

A part of the Herald died this week when Mrs. Elmer Joiner passed away Monday. Except for the past few months when she was ill, Mrs. Joiner wrote the "Fairview News" for this paper and her easy, friendly style of writing drew a large following of readers both from the people of the Fairview community, former residents and from people that just enjoyed reading her weekly "letters."

She was one of the main-stays of the Fairview community and of the former Fairview Baptist Church and will be missed not only by her family but also by her many friends in the Fairview community, in Hamlin and those who came to know her through her column.

A few weeks back Mr. Cook made the statement that the average cost per pupil in school for this year would be \$560. If you are like we are this did not mean too much since we did not know what the cost had been in the past or what the cost is for other schools.

But this past week we received a news story that said that during the coming year, Texas will be spending \$505 for each pupil and that the average cost per child for 1966-67 was \$479.

So, we would say that our local school must be operating efficiently for it to stay that close to the state average when you consider all of the factors involved. Since there are more schools larger than ours and the larger the school the easier it is to have a lower per pupil cost we would be inclined to feel that our school is doing about as well as one could expect.

In this same story we find that some 2,598,000 students are back in Texas classrooms this fall. Up 42,000 over last year.

## Capt. Gene Steele Home After Year Of Helicopter Duty in Vietnam

Army Captain Gene Steele is spending most of his time resting since his return from Vietnam Aug. 23. He had been there for a year serving as aircraft maintenance officer at Cu Chi, 15 miles Northwest of Saigon.

He was assigned to the 116th Assault Helicopter Company located at the 25th Infantry Division Base Camp.

Long hours were the usual routine as his days started at 5 a.m. as a helicopter pilot, he would be on operations until 6 p.m. and then his responsibility as maintenance officer would sometimes keep him busy until midnight.

When asked what the most difficult task he had to do he said that it was keeping aircraft availability to meet mission requirements. Of 31 aircraft, he had to have 25 ready.

He flew 250 missions and has 500 combat hours to his credit during his Vietnam tour.

As helicopter pilot he was the aircraft commander and

participated in recovery and rescue of aircraft and personnel that had been shot down or had had trouble. He also participated with assault force operations.

Along with regular assignments he said that each unit takes part in some civic activity in South Vietnam. His company took part in MED-CAP, Medical Civic Action Program. This involved securing a village and then taking in teams of people — doctors, nurses, and aid people from the state department — to help the villagers with sanitation, improving farming methods of growing crops and most important, give them medical aid. The men would pass out soap and candy and were surprised to learn that the villagers had never seen soap.

When asked his opinion on how the war was going, Capt. Steele said that he could give only his opinions which should not be taken as official and that they were based only on

the limited part of the situation that he had witnessed. But he could see no early end to the conflict over there. The Vietnamese have been in a state of war all of their lives and know no other way of life.

When the Viet Cong have come out in force, the young army Captain said, "We have been able to stop them cold, but when they resort to guerrilla warfare, we are on the defensive and it is difficult to fight on the defensive."

Another factor which tends to complicate the military position is that extreme measures are taken to protect the civilian population. When an aircraft draws fire over a village, they cannot return that fire unless it has been scheduled on the operation. The military works closely with the South Vietnamese government and only those approved by the South Vietnamese are fired upon.

In this way, VC cannot enter

### Lions Club Selling Zip Code Directories

The Hamlin Lions Club members are selling the 1967 National Zip Code directory. The publication, slightly larger than the Hamlin telephone directory has over 35,000 listings.

Larger cities that have more than one Zip Code are listed with a double naught (00). In this way, if the writer knows the former zone number of a city it can be inserted in the place of the two zeros. For instance, you have been writing to an address in Dallas thusly — Dallas 22, Texas. Now you use the Dallas Code of 752 and add the 22 for the complete zip code of 75222.

The directories are \$1 each. Ray Sonnenburg and Harold Wells are chairmen of the project.

## Local FHA Holds First Meeting of Year Monday

The Hamlin Chapter of Future Homemakers of America held a meeting of initiation Monday night in the high school library.

Each member brought a freshman, which they called their "little sister."

Margaret Cooper, president, presided.

The program was given by two ex-students who had been members of FFA, Glenda Hudspeth and Cynthia Stephens. They gave their viewpoints of FHA and how it helps the individual.

Jo Lynn Johnson and Janet Carson, song-leader, led the group in singing relaxers.

The purposes of FHA were given by the officers. As each purpose was given a red candle was lighted to signify the importance of each purpose.

Following the ceremony each freshman was presented a red ribbon as a symbol of their membership in FHA.

Refreshments were served in the Homemaking Department.

Charles Crites of Austin was best man. Groomsmen were Bert Massey of Austin, George Lowrance of Washington, D. C. John Orr of New York City, and Dr. Donald A. Larson of Austin.

The bride's formal length gown of souffle brocade in caftan silhouette was designed with a decollete neckline faintly silvered in silk parchment and jeweled in satin and caviar cut crystal beads.

rose leaves.

Bridesmaids dresses and headpieces of orange ice were identical to the maid of honor's. The attendants carried bouquets of Golden Rapture and Czaria roses.

# Pipers Strike Early to Take 21-6 Victory Over Rotan Friday

GOES IN FOR SCORE — Tailback Phillip Simpson (24) skirts his left end on the first play of the second quarter and goes eight yards for the Piper's second

touchdown. Simpson was the leading ground gainer for the Pipers as he picked up 124 yards against Rotan on 22 carries. (Tim Jones Photo)

STOPPED FOR NO GAIN — Halfback Elgin Baldwin (22) is met at the line of scrimmage by a Rotan lineman as he is held for no gain early in the fourth

period. The Pipers scored in each of the first three periods to down Rotan 21-6 Friday night. (Tim Jones Photo)

## High School Paper Staff Named, Beth Craig Editor

Beth Craig was named editor; Margaret Cooper, associate editor; Sam Ferguson, sports editor; Cindy

Bryant, organizational editor; Patty Cowan, class editor; Debra Blanton and Janice Hardaway, typists; and Jo Lynn Johnson and Marilyn Fudge, feature editors.

Reporters are Reba Jackson, Darrell Craig, Bill Johnson, Kathy Moore, Tommy Oliver, Marcia Steele, Jayne Turner, and Martha Robertson. The paper is sponsored by the Student Council. Milburn Wirk is advisor.

Okay. It really isn't an awful expense. Check the lower prices now during the Summer Gas Heating Sale and see for yourself!

You'll no doubt be pleasantly surprised. Especially now during August and September when gas heating contractors have more time and are offering special savings. There's a wide variety of modern, automatic gas heating equipment to take care of any situation—whether you're heating one room, several rooms or your entire home. To take advantage of pre-winter savings, call a gas heating contractor or Lone Star Gas now!

The Pipers exploded for a quick touchdown Friday night in their season opener with the Rotan Yellowhammers and then added two more tallies in the second and third quarters to come up with an impressive 21-6 victory.

Tailback Phillip Simpson accounted for all three TD's for the Pipers as he scored on runs of 19, 8 and 3. The little speedster racked up 124 yards in 22 trips to lead the Piper ground game. He was assisted in the running department by Sammy Ferguson, running from both the halfback and tailback positions, who picked up 98 yards in 9 tries.

Center Jimmy Hastings, who is still nursing a bad ankle and whose action was limited to the kicking game, went three for three as he added the point-after following each Piper score.

The Pipers were extremely tough on defense as they held the Yellowhammers to only two yards net on the ground and held the highly rated running back Larry Van Loon to four yards in six carries.

The only bright spot of the evening for Rotan was their talented quarterback, David Hargrove, who managed to connect on 13 of 24 passes for 120 yards and their only score.

Halfback Elgin Baldwin opened up the evening for the

Pipers as he returned the opening kickoff 63 yards to the Rotan 32. Simpson and fullback Donnie Smith each carried for three and Simpson gained a first down on the 22. Baldwin added two more before Simpson squirmed his way around left end for 19 yards and the score. Hastings added the point-after with only two-and-one-half minutes gone in the game.

The Pipers forced the Hammers to punt following the kickoff and took over again on the Hamlin 24-yard line. But then they gave up the ball on a fumble with Rotan covering on the 19. After Van Loon was thrown for a yard loss, Hargrove managed to connect with his flanker, Alex Coley, in the end zone for the Rotan score. The point-after was blocked by the whole front wall of the Piper line.

The Pipers came back after the kickoff and drove 74 yards in 11 plays to add seven more points to the scoreboard. Top gains in the drive were 17 and 18 yards by Simpson and a 10 yarder by Ferguson. Simpson skirted his left end for the final eight yards to score standing up. Hastings again split the uprights and the Pipers owned an eight point lead.

The Pipers were back down on the Hamlin end of the field again as the half ended;

## PIPER B TEAM DOWNS ROBY, IN OVERTIME?

The Piper B Team edged out the Roby Varsity Saturday night, 24-20 — in overtime? As time ran out on the clock, the B. team was behind 20-18, but with Roby drawing a penalty on the final play the local boys were given one more chance.

On the bonus play quarterback James Asher found Charley Shira all alone in the endzone for the game winning TD pass. Robert Bolden scored two of the four Hamlin touchdowns, one on a long run around his left end and the other on a pass from Shira. The fourth TD was scored on a quarterback sneak by Hollis Stephens from the two yard line.

The B Team lead 12-6 at half time, but then trailed by 14-12 and 20-18 before coming up with the winning score.

The Pipers drove down inside the Rotan 20 two more times but failed to reach pay

gaining a first down on the 14 before Simpson was thrown for 14 yard loss back to the 28.

Linebacker Gary Smith

intercepted a Hargrove pass on the first play of the second half to give the Pipers the ball on the Rotan 18 yard line. But the Pipers lost their second fumble of the night on second down and Rotan took over again on the 18. Rotan moved out to the 50 on a 32-yard pass, but then the Pipers took over on their own 46 when the Hammers failed to make their fourth down try.

It took the Pipers 10 plays to cover the 54 yards as Simpson had gains of 8, 4, 14, 3, 6 and 3, and Ferguson added runs of 6 and 10 to this. Smith added three yards to the cause and Simpson drew the honors with a plunge over right guard for three yards and the score. Hastings tacked on another point to make the score 21-6.

The Pipers drove down inside the Rotan 20 two more times but failed to reach pay

gaining a first down on the 14 before Simpson was thrown for 14 yard loss back to the 28.

Sylvian Freedman came early for Homecoming arriving here Monday afternoon flying from Bowie, Md. He is a guest in the home of Mr. and Mrs. Arthur Hudson.

## Neinda Philosopher Knows Now Why TV Newscasts Sponsored by Headache Remedies

Editor's note: The Neinda Philosopher on his Johnson  
grass farm on Route One is having trouble handling all  
the news, his letter this week indicates.

A neighbor of mine said to  
me the other day, "You sure  
must be lucky, always find-  
ing a newspaper to read free  
of charge," but I don't know  
that you'd call it lucky every  
time a paper turns up out  
here on this Johnson grass

in Idaho, traffic accident  
statistics for Labor Day, a  
statement by De Gaulle, tur-  
moil in China, a tax raise in  
Washington, a drought in Cen-  
tral America, a shake-up in  
the British cabinet, a dead  
battery in his own car, the  
death of a baby whooping

crane, the discovery that  
roaches cause asthma, a speech  
by Rap Brown, etc., just to  
name a few.

No wonder so many tele-  
vision newscasts are spon-  
sored by companies selling  
headache remedies.

By the way, if you have an  
extra copy of last week's  
Herald send it to me. I missed  
mine and want to catch up on  
the news.

Yours faithfully,  
J. A.

## CAPT. STEELE

—Continued from page 1

a village in small numbers and  
fire on an American aircraft  
and draw fire upon a village.

Steele said that the VC are  
an ingenious people. They,  
although not well educated,  
are well led and well advised  
by the Russians and Chinese.  
They fear most our bombing.  
He said the bombing must  
continue else there be freedom of  
movement of the enemy.

He said the VC are falling  
apart from within, they have  
no medical supplies, they are  
victims of disease and morale  
is low. Although, he added,  
that hard core is still there.  
These young men of teen age  
now were taken from villages  
by the VC at the age of seven  
or eight and after some 10 years  
are strongly indoctrinated.

One of the major problems  
for Americans to overcome in  
trying to help the Vietnamese  
people is our lack of patience.  
We are faced with many prob-  
lems in trying to help these  
people not only defend them-  
selves but also to govern  
themselves.

They are made up of many  
races, religions and dialects  
with Catholicism and Budd-  
hism as the major religions.  
They are a close family people  
and have never concerned  
themselves with anything  
outside their own villages.

Some of the natives had not  
even heard of Saigon before  
tremendous gains in communica-  
tions were made after the  
U. S. went into the country.

Education would seem to be  
a big obstacle as schools are  
limited and only a select group  
are sent to college. If children  
do not do well in school in  
the first years they do not  
get to continue.

In Vietnam, like most under-  
privileged areas of the world,  
the people are poor with only  
a few very rich. This follows  
the European class society  
and dates back to when this  
country was under the French.

While the people are poor,  
the nation itself is not poor  
in resources. It is a rich rice  
growing area and has natural  
resources that are still un-  
tapped. This is the country's  
main attraction for the Viet  
Cong.

Medals received by Capt.  
Steele this past year include  
the Bronze Star for operations  
during Operation Attleboro,  
for meritorious achievement,  
Nov. '66; eight Air Medals for  
aerial flight; one Air Medal with  
V device for Valor, heroism  
in flight; Army Commendation  
Medal for meritorious  
achievement; and the Distinguished  
Flying Cross, May '67.

He is the son of Mr. and  
Mrs. Virgil Steele and gradu-  
ated from Hamlin High School.  
His wife is the former Patricia  
Branscum and they have two  
children, Gena, 5, and Ricky,  
10 months. Ricky was born  
here Nov. 21, 1966, and Capt.  
Steele did not get to see him  
until his family met him for  
a week in Hawaii in March  
of this year.

A distinguished military  
graduate from Hardin-Sim-  
mons University in 1961, he  
accepted the regular Army  
commission.

Major assignments have been  
with the 82nd Airborne Division  
at Ft. Bragg, N. C. during  
the Cuban crisis and the  
Seventh Corp Headquarters  
in Germany.

He is a graduate of U. S.  
Army Artillery and Missile  
School; U. S. Army Aviation  
School; and U. S. Army Air-  
craft Engineering and Main-  
tenance School.

In April, 1964, he went to  
Germany and in May, 1966,  
started helicopter training in  
Munich. He returned from  
Germany in July, 1966, and  
went to Vietnam in August.

He will report next to Ft.  
Sill, Okla., and in October he  
will attend a career course

for officers in the seventh  
year of service to prepare  
them for command and staff  
work on the battalion and  
brigade levels. The first six  
months of the nine-month  
course will be spent at Ft.  
Sill and then the remaining  
three months will be at Ft.

Bliss at El Paso.

CLASSES — With the selection of class officers in the past weeks, the different classes have begun to come to life with the preparation of their floats for homecoming this weekend.

The class officers for the freshmen are: Charlie Sellers, president; Toni Casey, vice president; Genia Gibson, secretary; Sharon Hastings, treasurer; and Darrell Craig, reporter. Their favorites are Fodie Sonnenburg and Dwayne Miller. Coaches Reusch and Hughes were elected class sponsors.

Sophomore class officers are: Gary Smith, president; Spencer Ford, vice president; Peggy Jones, secretary; Bill Hodnett, treasurer; and Marcia Steele, reporter. Debbie Tucker and Don Bockman are their class favorites with Mr. Jones and Mrs. Youngblood as sponsors.

Gil Lain and Mike Young were elected president and vice president of the junior class with Pat Perrin, secretary; Cheryl Walton, treasurer; and Beth Craig, reporter. Mrs. Scott, Mrs. Dickson, and Mr. Starr will be their sponsors. Milbourne Newland and Cheryl Walton are junior class favorites.

Heading the most important class office in high school is Milton Davis, president of the senior class. Sharon Hawkins was elected vice-president, with Donelle Hill, secretary, Virginia Hill, treasurer, and Augustin Barron and Janice Hardaway were elected class favorites. The seniors selected Mrs. Brown, Miss Mitchell, Mr. Williams, and Mr. Wink as sponsors.

PEP SQUAD — With the coming of football season it has also come time to choose the new pep squad head cheerleader and head twirler. Linda Bailey, a senior was elected head twirler. Other twirlers are Windy Russell and Marilyn Fudge. Head cheerleader is Cheryl Walton, a junior. Kathy Moore and Pauline Lakey are cheerleaders.

GREEN DOOR — With the selection of the Green Door Staff the school paper really became itself this week. With the coming of Wednesday and the publication of the paper the halls came alive with the different members competing in selling their quota of papers. The staff consists of Beth Craig, editor; Margaret Cooper, associate editor, Sammy Ferguson, sports editor; Cindy Bryant, organizational editor; Patty Cowan, class editor; typists — Debra Blanton and Janice Hardaway; and reporters, Jo Lynn Johnson, Marilyn Fudge, Darrell Craig, Reba Jackson, Bill Johnson, Kathy Moore, Tommy Oliver, Marcia Steele, Jayne Turner, and Martha Robertson.

LIBRARY CLUB — The Library Club got off to a good start this year with some forty people attending the first meeting. Mrs. Youngblood gave a short talk on "Why We Read Books" followed by the election of club officers.

The first slate was accepted with Debra Blanton, president; James Knabel, vice president; Pat Perrin, secretary; Reba Jackson, historian and treasurer; and Beth Craig, bulletin board chairman. Following the meeting Mrs. Youngblood served homemade cookies and cake.

NATIONAL HONOR SOCIETY — A tutor program for both high school and junior high is being sponsored by the N. H. S. during this school year. Participating in the program to act as tutors are Kathy Moore, Sharon Hawkins, Tommy Oliver, Jayne Turner, James Knabel, Reba Jackson, and Augustin Barron. The N. H. S. is also making plans to open a book stand for paperbacks.

ANNUAL — With all the applications in, it came time for the three heads of the Piper Annual '68 to pick its new staff. This year some thirty people applied for positions on the annual staff, but with only eleven new vacancies many good applicants had to be turned down. Those making up the new staff are Mrs. Fowler, advisor; Tommy Oliver, editor; Sharon Townley, assistant editor; Jayne Turner, business manager; Pat Perrin, assoc. business manager; Tim Jones, photo-

grapher; Bill Johnson, and Thomas Goolsby, assistant photographers; Sally Carlton, layout editor; Peggy Jones, Gary Carson, David Riddel, and Sandra Payne, assistant layout editors; Augustine Barron, typist and Linda Cox, assistant typist; Marcia Steele, copy editor; Janet Carson, Jo Lynn Johnson, and Mary Wallace, assistant copy editors; Terry Holt, sports editor; and Linda Bailey, assistant sports editor.

PIPER QUEEN NOMINEES Each class did an excellent job this year in electing their Piper Queen Nominees. The queen is determined at the end of each year by the percentage of annuals each class has sold. Linda Bailey, senior, Diana Crowley, junior, Jana Ferguson, sophomore, are the queen nominees.

HOME COMING QUEEN — The students of H. H. S. will have a hard time picking the Homecoming Queen this year.

The four contestants are Margaret Cooper, Janice Hardaway, Pauline Lakey,

and Jayne Turner. The queen's coronation will highlight this year's homecoming half-time activities.

BONFIRE — This year's bonfire promises to be one of the best and biggest bonfires

our school has ever had. Several students had already begun work on the bonfire by this Sunday so let's all do our part and make this year the best we've ever had.

Longest highway in Texas is US 83 — 903 miles from Brownsville.
